

Home Delivery Grocery Service

Easter Delivery Days

Please note, we are not delivering on Saturday 11th, Sunday 12th or Monday 13th April but you are able to place orders via email on these days. We will however, be delivering on Good Friday 10th April.

How to place your order:

1. View the weekly product list below.
2. Email the items and quantities you want to order to info@redmistleisure.co.uk, making sure you include a contact telephone number, name and full address on your order email.
3. Please make us aware if you work for the NHS / frontline emergency services and send us a copy of your ID with your order to receive a 10% discount.
4. Once we have received your order via email, a member of our team will telephone you to take payment, arrange a delivery day and advise if we have any shortages of products. It will usually take us day or two to call you once you have placed your order. Payment is by debit or credit card and we do not accept American Express. There is a minimum order value of £30 and there will be a £5 delivery charge for all orders under £100.
5. Orders will be processed in the order we receive them, and we will prioritise vulnerable customers and those working for the NHS and frontline services. Usually orders can be delivered in 2 – 3 days.
6. We will deliver the items to your doorstep. Please allow us to unload the items and leave before you take your delivery in to avoid any unnecessary contact. Please advise us if you live a flat or apartment with a shared entrance. The safety of our staff and customers is our highest priority.

Please note, we cannot refund or exchange any items unless they are broken / faulty.

**If you have any queries or concerns with your order please email us
at info@redmistleisure.co.uk**

Please remember this is a community service, it is not our core business and we are trying to help at a difficult time; we are grateful for your patience and understanding.
